I hereby assume all risks and possible costs associated with participating in the training and other activities recommended by Camelback, and further, I do for myself, my heirs, and personal representatives hereby defend, hold-harmless, indemnify, release and forever discharge Camelback for, from, and against any and all claims, demands, and actions, or causes of action, on account of damage to personal property, personal injury, or death which may result from my participation, and which result from causes beyond the control of, and with or without fault or with or without negligence of Camelback, during the period of my participation as aforesaid. I certify that I am sufficiently physically healthy for participation in this program and have not been advised against participation by a qualified health professional. I have read, understood, filled out, and signed, the Camelback Health History and Waiver form. I acknowledge and accept the risks associated with rigorous physical training. By signing below, I hereby acknowledge that I have carefully read and understand completely the above agreement. These terms constitute the full agreement between you and Camelback and no oral promises are made part of it.
